

Trustees (x3)

Can you help lead the next chapter in our 200-year history?

For almost two centuries, Sailors' Society has been transforming the lives of seafarers and their families around the world.

As part of a planned renewal of our Board of Trustees, we are seeking three new members to join our board. We are looking for trustees with the following skills and experience:

- Audit and finance
- Online marketing and e-commerce
- Fundraising
- Commercial/ retail

We serve a diverse, global community of seafarers and our board aims to reflect this diversity. We consequently seek directors from around the world who have the time, energy, commitment and skills to enable our charity to continue to serve the changing needs of seafarers and their families.

Please send your curriculum vitae and letter of application to Alastair Fischbacher, Chairman of the Board of Trustees ([chairman@sailors-society.org](mailto:chairman@sailors-society.org)) by 28 November 2017.
